

## Laura Taylor-Jensen BA, MAc, AHLB

Laura Taylor-Jensen BA, MAc, AHLB

Laura Taylor Jensen MA, AHLB, has over 28 years of teaching, guiding and inspiring individuals to achieve their optimal potential physically, mentally and spiritually. Since 2004, Laura has been one-of-two Acting Head Lightbearers in care of the Lightbearers Organization and the educational estate of the most powerful wisdom ever put into written form for the scientific spiritual advancement and liberation for Humanity, known as the Science of Being teachings.

Laura has completed two college degrees. Her Bachelor's Degree is entitled "The Whole Person Healing Process Body, Mind and Spirit," and her Master's Degree, "The Unified Field of the Human Soul." Laura spent 25 years learning the ancient spiritual practices of the indigenous peoples of our world and as a result of these disciplines; she has a deep connection with Nature and the Spirit of the Ancients. She has written two courses which have had a profound impact on those who have applied this knowledge to their lives: "The Supreme Journey ©" - Healing the war above so below can live in peace," and "Living The Path Of Your Thumb Print ©" --Breaking free of systemic fate and aligning one's 'Being' with one's ultimate life track.

Laura brings to every event she participates in, her unleashed magnetism, Life Force and profound wisdom. She has been honored with titles such as: One of the most insightful Spiritual Philosophical Scientists of our time, Laura will teach the teachers and heal the healers, and one of the most exciting speakers to experience live. Laura's success as an inspirationalist for Soul comes from her ability to teach with the power of a Warrior and Love with the compassion of a Sage.
