

The FourSquare - The Human Pyramid - The Key To The Eternal.

The FourSquare wisdom, found only in the Science Of Being teachings, was written for all Humankind by the first Autochthon Spiritual Technology Engineers. This ancient algorithm holds within its wisdom, the fundamental principles needed to unlock the Eternal within all Spiritual matter.

In our current stage of evolution, Humankind comprehends the Eternal and Soul's qualities in four aspects. Each aspect has its own distinct vibration: Life represents the energy and power of creation, Intelligence represents the perfect Mind that constitutes everything, Truth is the governing factor and is Law abiding to one's Truth, and Love the ever sustaining, harmonious power of attraction. Spirit contains all the aspects of Life, Mind, Truth and Love as they are in their present state of evolution in time and space. Harmony, or the point of power, will be attained when all four corners are of ONE vibration with one's Eternal Soul.

These remedies are designed to be used with the corresponding corners of the FourSquare. Use them as a full year program; in conjunction with the disciplines of the FourSquare teachings or as needed. The FourSquare wisdom is found in the Science of Being Teachings 7, 27 Lessons and the Advanced Teachings Science of Being Vol., I & II. The teachings on the 'Seasons of Life' are most helpful when applying these enlightenment aids; this wisdom can be found in Vol. II of the Advanced Teachings.

How to take the FourSquare remedies: **Take only one drop daily before doing the Star Exercise or performing your daily meditations; in the morning preferably.** (If you have any allergies to organic Horsetail, Rosemary, Rose, Ginkgo, White Powdered Gold, or Oil of Gold please refrain from using these products without consulting a Lightbearers World Center representative).

There are two instructional opportunities offered to assist you with the understanding of this wisdom: The one year course entitled Self Mastery and the FourSquare ~ Awakening From The Dream and one-on-one sessions with Laura Taylor Jensen MA, AHLB (email us for more info).

The Path Of The Lightbearer

The FourSquare - The Key To The Eternal

LIFE CREATES ALL

Spring. Life is energy in action; you must first BE alive to create. Life is the very expression of the Eternal manifesting Its inspiration through you on to the material plane. Your Soul is one with the Eternal. They together called upon the elements of this planet, and created your physical body in order for you to fulfill your destiny. The Power of the Absolute is always working with you and for you in your efforts to live a Liberated Life. **When using this corner's remedy, meditate on connecting to Nature, to the Earth and to the ancient aspects of who you are.**

MIND CONSTITUTES ALL

Summer. Express All Intelligence, (Mind), in everything that you do. BE consciously aware and assess situations before you set causes into motion. Reason, instincts and intuition are all available to help you make optimal choices on the conscious level. Take an interest in all life around you. Consider all the facts that are presented you, before you make any assumptions or take action. Free will to create is your gift on the material plane, or it can be your greatest problem. **When using this corner's remedy, meditate on eradicating polarities as they arise in your Mind. Strengthen your focus and concentration.**

TRUTH GOVERNS ALL

Fall. Truth means Law. In the beginning was the word and word was with God and the Word was God. Be true with your words and your actions, they should match the Truth that can be found in your heart. Truth is governed by intentions both external and internal, both verbal and none-verbal. Truth governs what Mind Constitutes and Life Creates. In order to shift the consciousness of what becomes your reality, you must first be in alignment with its Truth. Inner freedom and Liberation, comes with choosing to align yourself with the Truth of the Absolute. **When using this corner's remedy, meditate on 'What is Truth?' and 'What is your Truth?'**

LOVE SUSTAINS ALL

Winter. Love is a natural quality of the Soul; it's who you Truly are, your Real Self. In the Eternal Realm, Mind and Love operates as ONE. When Mind felt it could not hear Love speak to the Heart. Without Love's guidance, mind can lead us into unfortunate conditions. Love purifies and uplifts our Mind; It leads us back to the state of Harmony and Oneness with the Absolute. Love is the greatest discipline. **When using this corner's remedy, meditate on FEELING Mind and Love as one; hear them speak to you as ONE voice. FEEL their Strength and Power when they are ONE.**

SPIRIT CONTAINS ALL

When you put into practice expressing All Life, Intelligence, Truth and Love in a balanced and harmonic way, you come into alignment with your true individual character. Your imperfections fall away, revealing your absolute Real Self. When you achieve Enlightenment, you will come to know the Truth of who you are; your Spiritual vibrations rise to the top of the FourSquare pyramid, which symbolizes Spirit reaching the Point of Harmony. **When using this corner's remedy, meditate on balancing yourself with the Flow and glow of Spirit. Notice how Spirit shows up in your daily life as signs and signals to guide you as you create Life.**

THE POINT OF HARMONY

When you find the Kingdom of Heaven within you, you will emerge out of darkness. Then you begin to express True Love and Unity with ALL. As above, so below means: what is within one's being, manifest as their reality in their material world. When you come to a state of Harmony with All Life, Mind, Truth and Love, you reflect the color Gold. The FourSquare is the Symbol of Harmony and a means to Harmony; this is our goal as we live Life. **When using this corner's remedy, meditate on UNITY with ALL. Feel your connection with everything around you in the here and now.**
